General information

Description

Continuing the narrative of Classical Academic Press' previous God's Great Covenant Old Testament Volume 1 & Volume 2, this curriculum focuses on how Jesus is born and fulfills all God's promises. Thirty-six weekly chapters are divided into four units that emphasize one of the names of Jesus: The Son of Man, God's Servant, the Messiah, and the Son of God.

Each chapter begins with a memory page that provides the theme, scripture, memory passage, key facts, and message from the topic; "Story Time" follows, with the lesson to read. Finally, enjoyable review worksheets help students retain the key facts, story facts, and memory verse, and encourage critical thinking with a "Think About It" question that encourages students to apply Scripture to their own lives. A section of quizzes is included in the back of the book. Grades 3-5.

Expectations and goals

This is a parent-led class. This community thrives with the involvement of parents. At all times, parents are responsible for their own child(ren). The Tutor will model for the parents on the subject and help students gain understanding. Students are expected to participate in class, behave in a Christ-like manner, show respect toward their classmates and adults, and give the tutor their attention.

Parent-Led Weeks: We ask that a parent signs up to lead a 5-week block. Please communicate with the curriculum liaison to schedule your time.
